Not Just a Mask

Brighten up your face and give it a surgery-free facelift with Menard's anti-age Authentic Mask. With active ingredients including Kinugasa mushrooms and Chinese herb Fang Da Hai, the mask stimulates the fibroblasts, the active cells, to promote a higher level of collagen production, resulting in plumper and smoother skin. The mask is designed to be applied perfectly to cover your face, neck and décolleté, with no need to be followed by a serum or a night cream.
